Calling all Volunteers!!!

The team relies on strong parental support. This is a “family affair” and we all participate at some level - having both parents volunteer would be helpful, especially families with multiple children. Find a friend and co-chair a committee together! The various committees are listed below:

Concession Stand (Chairperson and Workers):

This is the dive team’s main fundraiser. Last year we sold hot dogs, hamburgers, walk-away tacos, chips, water, sodas, fruit, and candy. The committee chair will develop a plan of what to sell, and will assign each family an item to bring for each of our three home meets. They will also schedule volunteers to run the concession stand so parents will have the opportunity to watch their children dive.

Judging (Chairperson and Judges):

Each team is required to provide two judges for EACH meet in addition to the Official (Referee). In order to become a judge, you have to be certified. Parent volunteers, who are experienced judges, need to get re-certified every two years, so please check those cards! Judge chairperson is responsible for creating a judge schedule.

Judging (Referee):

The referee is taking the place of the judge official that was used in past years. Each team is required to provide one judge referee for each away meet. The referee needs to be judge certified, have judged for 2 years and taken the referee training. The referee is responsible for verifying dive sheets, calling failed dives, broken positions and max points for a dive.

Table (Chairperson and Workers):

Each team is required to provide at least two Table Workers for EACH meet. This involves sitting at the Scorer’s table and tallying each diver’s scores on their dive sheets. Chairperson would be required to prepare volunteer table worker schedule, help to set up table prior to meets and being flexible to last minute changes. A training clinic for new table workers will be held at NSJ.

Ribbon preparation:

Volunteer(s) will be in charge of putting labels on the ribbons before a home meet for each of the age groups. Labels will be prepared, and this person would have to place the correct amount of ribbons for each boy/girl age group in the required folders. Volunteer will need to work at the scorer’s table ½ hour prior to a home meet, and either the first or second half helping to write winners names/scores during the meet.

Announcer:

Outgoing, good clear voice and able to speak to a crowd through a microphone. Volunteer will set up portable sound system and be able to read divers names, dive completing with dive number, DD and next diver up. Reads the Diver’s scores as they are displayed by the judges, and announces for each age group the honorable mentions, divers that placed 1st-6th, and the team winner of the meet. Keeps the dive meets running at a good pace.

End of season awards banquet/pep rallies:

Volunteer(s) will help plan, coordinate and set up these events with the help of the dive director(s).

Dive meet set-up:

Help to set up tables and chairs for dive meet at 3:30. Assist in getting the scorers table ready.
